Be the One.

champaign county combined charities campaign
Welcome to the Fall 2013 Champaign County Combined Charities Campaign (CCCCC).

This year’s theme “Be The One” will hopefully encourage and facilitate donations by employees to diverse organizations that benefit communities across the globe. The CCCCC strives to promote and support philanthropy by providing a cost-effective and employee-focused way for Champaign-Urbana employees to donate to various charities benefiting health and human services, education, social change, the arts, the environment, animal welfare and more!

Last year the CCCCC raised over $164,357 with just over 500 donors. Today the need is greater than ever, and you can chose a charity that is close to your heart right in Champaign-Urbana or around the world. The list of charities and federations in this booklet provide you the best avenue to “Be The One”.

Please take the time to review over 450 charitable organizations that offer many outstanding programs in our community and beyond. Then complete the pledge card and return it to your CCCCC Coordinator. If you have contributed to the campaign in the past, we appreciate your gift and ask that you continue to give. If you have never made a donation, please give what you can – no gift is too small!

2013 Combined Charities Campaign
September 16—December 6, 2013

**WHAT** is the Champaign County Combined Charities Campaign?
It is a workplace charitable-giving program that offers local public
employees the opportunity to contribute to charities using the convenience
of payroll deduction and more.

**WHY** give?
This is your campaign! Created for local public employees, overseen by
local committee representatives of public employers.

**WHO** to give to?
One of the greatest benefits of the CCCCC is the wide variety of charities
and causes represented — there’s something for everyone. They range
from small local organizations to large and well-known national and
international groups.

**HOW** to give?
The campaign will start September 16th and end December 6th. You will all receive a pledge form and charity
listing booklet allowing you the opportunity to give. The charity listing booklet will be available online this year:
1. Choose your charity(s),
2. Complete the pledge form,
3. Return the form to your coordinator!

---

**Benefits of payroll deduction**

- Payroll deduction offers a special opportunity to do more and feel it less.
- It helps to minimize costs while maximizing your contribution.
- You can manage your own philanthropy — you know when
deductions start and that you can end them at any time.
- It saves time and takes little effort.
- Best of all, by donating a specific amount from each paycheck, you can make a more significant impact
on the causes you wish to help.

**MORE ways to give?**
Yes, we have more ways for you to give on the pledge form this year.
1. Payroll deduction
2. Check (payable to United Way of Champaign County)
3. Credit Card
4. Direct Bill

The Champaign County Combined Charities Campaign is fiscally managed by United Way of Champaign County. We welcome your questions and feedback. Contact us at:

**WHY SHOULD I GIVE?**

- To help those who are less fortunate through no fault of their own.
- To support a favorite cause or charity on a regular basis.
- It's the right thing to do.
- It will make you feel great.
- It's tax deductible.

1. As the Official Sponsor of Birthdays®, the American Cancer Society’s mission is to save lives.
2. When we started 100 years ago, cancer was a certain death sentence. Today, thanks in part to our work, 2 out of 3 people will survive.
3. We are the only major charity focused on defeating all cancers because we’ve found progress against one type leads to breakthroughs for other cancers.
4. We are the largest not-for-profit investor in cancer research, with a focus on funding young investigators with innovative ideas—46 of whom later earned Nobel prizes.
5. We are the only organization to conduct groundbreaking prevention studies. Our latest, CPS-3, is assessing how things like genetics and lifestyle choices affect your cancer risk.
6. Cancer is the leading cause of death in the U.S. among working age adults, so we teach people steps to prevent cancer and stay well.
7. One in two women diagnosed with breast cancer reaches out to us and we provide free services to help them - and all cancer patients - get well.
8. We have played a role in nearly every cancer research breakthrough in recent history, taking cancer from deadly to treatable, and treatable to preventable.
9. When you enjoy smoke-free bars and restaurants, know that our grassroots volunteers helped us push for lifesaving laws protecting you from secondhand smoke.
10. Even with all this progress, cancer is expected to claim 580,000 lives, including your loved ones. Silence won’t finish the fight - only action will. Please join us!

United Negro College Fund – Code 900-0000
America needs more college graduates.
President Barack Obama has committed the country to regaining world leadership in the percentage of people with a college education. Because America needs the teachers, scientists, public servants and good neighbors they will become. And it needs to make sure that African Americans and other minorities — who will be a majority of the population by 2050—get the help they need to attend college and graduate.
That means America needs UNCF. UNCF knows how to get students into college, succeed there, and move on to careers of success and service. We give college scholarships to almost 9,000 students at more than 900 colleges each year. We provide financial and capacity-building support to the 38 historically black colleges and universities that are members of UNCF and their 55,000 students. That’s why more than 170,000 individuals, corporations and foundations invest in UNCF each year. Because America needs college graduates. Because it’s the right thing to do. And because, “A mind is a terrible thing to waste.”
For more information, call [312] 845-2200 or go to www.UNCF.org.
