FOOD

Child and Adult Care Food Programs

A program that provides supplementary nutrition in the form of healthy meals and snacks for preschool and school-age children and adults receiving day care. Licensed child care centers, Head Start programs, family day care homes, adult day care centers and homeless shelters serving families are eligible to participate and are reimbursed for a portion of the meals served. In the United States, the program is administered at the federal level by the Food and Nutrition Service (FNS) of the U.S. Department of Agriculture.

PUBLIC ASSISTANCE PROGRAMS

Food Stamps/SNAP

A federally-funded program administered locally by the county or the state that enables low-income and indigent households to obtain an electronic benefit transfer (EBT)

card similar to a bank debit card which can be used in most grocery stores to purchase food. Approved households are entitled to purchase a designated amount of food utilizing their cards based on net income and household size. Benefits are generally available in an EBT account within 30 days from the date an application was filed. Expedited food stamps are available within seven days for people who are in an emergency situation and whose income and spendable resources for that month are within specified limits.
