

COMMUNITY IMPACT FUND GRANTS

FY2019-2020 (July 2018 – June 2020)

United Way of
Champaign County

One Gift. Big Impact.

United Way's **Community Impact Fund Grants** are a key part of our fight to improve the future of Champaign County.

Every two years, United Way of Champaign County's grant process opens. Programs working to improve Education, Health or Financial Stability are encouraged to apply for two years of funding. The review process is thorough, volunteer-led, and competitive. All programs participate in an in-person review by a team of volunteers and are scrutinized by the Community Impact Committee and the Board of Directors. All decisions are made on a local level.

Your gift to the Community Impact Fund is put to work right here in our community,
