We Believe in Champaign County
Welcome to the Fall 2019 Champaign County Combined Charities Campaign (CCCCC).

I hope this year’s theme “We Believe in Champaign County” will encourage all of the employees in our Combined Charities to team together to facilitate giving in every area of the workplace. The CCCCC strives to promote and support philanthropy by providing a cost-effective and employee-focused way for Champaign-Urbana employees to donate to various charities benefiting health and human services, education, social change, the arts, the environment, animal welfare and more!

Last year the CCCCC raised over $207,420 with 571 donors. Today the need is greater than ever and you can choose a charity that is close to your heart right in Champaign-Urbana or around the world. The list of charities and federations in this booklet provide you the best avenue to become part to the “team.”

Please take the time to review over 750 charitable organizations that offer many outstanding programs in our community and beyond. After, complete the pledge card and return it to your CCCCC Coordinator. If you have contributed to the campaign in the past, we appreciate your gift and ask that you continue to give. If you have never made a donation, please give what you can – no gift is too small!

2019 Combined Charities Campaign  
September 16—December 20, 2019

**WHAT** is the Champaign County Combined Charities Campaign?  
It is a workplace charitable-giving program that offers local public employees the opportunity to contribute to charities using the convenience of payroll deduction and more.

**WHY** give?  
This is your campaign! Created for local public employees, overseen by local committee representatives of public employers.

**WHO** to give to?  
One of the greatest benefits of the CCCCC is the wide variety of charities and causes represented — there’s something for everyone. They range from small local organizations to large and well-known national and international groups.

**HOW** to give?  
The campaign will start September 16th and end December 20th. You will all receive a pledge form and charity listing booklet or access to the electronic version online allowing you the opportunity to give. The charity listing booklet is available online.

1. **Choose your charity(s),**
2. **Complete the pledge form,**
3. **Return the form to your coordinator!**

**Benefits of payroll deduction**

- Payroll deduction offers a special opportunity to do more and feel it less.
- It helps to minimize costs while maximizing your contribution.
- You can manage your own philanthropy — you know when deductions start and that you can end them at any time.
- It saves time and takes little effort.
- Best of all, by donating a specific amount from each paycheck, you can make a more significant impact on the causes you wish to help.

**WHY SHOULD I GIVE?**

- To help those who are less fortunate through no fault of their own.
- To support a favorite cause or charity on a regular basis.
- It’s the right thing to do.
- It will make you feel great.
- It’s tax deductible.

**More ways to give?**

Yes, we have more ways for you to give on the pledge form this year.

1. Payroll deduction
2. Check (payable to United Way of Champaign County)
3. Credit Card - Please contact United Way directly
4. Direct Bill

Fire and Police Memorial Committee – Code 705
In 2007, the Fire and Police Memorial Committee began a campaign to replace the dilapidated Fire and Police Memorial in West Side Park originally constructed in 1913. The memorial site is a tribute to Champaign fire fighters and police officers who have sacrificed their lives in the line of duty. The memorial currently honors two police officers, Officer Thomas Dodsworth shot in 1913 and Officer Robert Tatman shot in 1967; and one firefighter, Fireman Edward Hoffman caught in a house fire back draft in 1960.

Since 2007, more than $100,000 has been raised by the Fire and Police Memorial Committee. In March 2010, the committee completed Phase 1 of the project which included a granite centerpiece with bronze plaques, a flagpole, in-ground lighting, concrete base and brick pavers. More than 200 of the pavers have since been replaces with engraved bricks bearing messages from memorial donors. Phase 2 of project included the installation of two life-size bronze statues. Phase 2 was completed when the statues were installed in March 2014 and public dedication ceremony was held in April. The Fire and Police Memorial Committee continues to raise funds for anticipated maintenance, repairs and future enhancements of the site. Please consider supporting our efforts to create and maintain the beautiful Fire and Police Memorial in West Side Park.

American Cancer Society – Code 907-0000

CANCER RESEARCH
• Research is at the heart of our mission. For more than 65 years, the American Cancer Society has been finding answers that save lives—from changes in lifestyle to new approaches in therapies, to improving cancer patients’ quality of life. In fact, no single private nonprofit organization in the US has invested more to find the cause and cures of cancer.

PATIENT SUPPORT
• We help individuals who are experiencing cancer to learn about making treatment decisions, coping with side effects, handling financial matters, caregiving, and living well after cancer. We also provide programs and services to help cancer patients manage treatment and recovery and find the emotional support they need. And best of all, our help is free.

PREVENTION INFORMATION AND EDUCATION
• Through our series of cancer prevention studies—as well as information gained from researchers whose work we help fund—we’ve been able to educate the public about lifestyle choices that can significantly reduce cancer risk. Our prevention guidelines help people reduce their risk of cancer, and our survivorship guidelines help people live life to the fullest after cancer.

DETECTION AND TREATMENT
• Cancer screening guidelines we develop are used by health care providers across the nation to help individuals find cancer early, when it’s easier to treat. Also, our research efforts continue to discover better ways of treating cancer, and we’re here 24/7 to support those undergoing cancer treatment.

For more information and support, visit or call us 24 hours a day, 365 days of the year, at www.cancer.org or 1-800-227-2345.

**United Negro College Fund – Code 900-0000**
UNCF is the nation’s largest and most effective minority education organization.

Since its founding in 1944, UNCF has raised more than $4.8 billion and has helped more than 450,000 students not just attend college; but thrive, graduate and become leaders. This is done in three ways:

- By awarding more than 10,000 students scholarships, worth more than $100 million, each year;
- By providing financial support to 37 historically black colleges and universities (HBCUs); and
- By serving as the nation’s leading advocate for the importance of minority education and community engagement.

UNCF lives up to the ideal expressed in its updated motto, "A mind is a terrible thing to waste but a wonderful thing to invest in."™

For more information, call (312) 845-2200 or go to www.UNCF.org.
